03 OUR
SERVICES

We Are:

HIGHLY CREATIVE

Approach projects with vision, innovation, art, thought, and adventure to create and execute solutions that are out-of-this-world.

EXTREMELY RESOURCEFUL

See challenges as opportunities, whether it is budget, resources, talent or time, we always find a solution and provide you with a high-quality finished product.

GLOBAL & LOCAL

A global team from different parts of the world (Japan, Albania, Australia, Canada, France and the United States) we bring a fresh and unique perspective. Your brand can connect with a diverse audience, and at the same time reach specific segments.

04 WHY
STARDISK?

KOMINE

Motorcycle Accessories Brand

Needed a digital presence and marketing materials.

SAKI

Jazz Album for rising musician

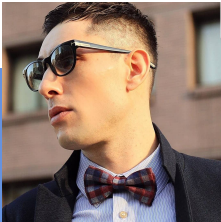

Required help creating her personal brand and making a jazz album.

ICE TEK

Watch Brand

Wanted to expand their target audience to a higher caliber.

ILLIGER

Bow-tie Company

Desired more exposure in Japan to increase international sales.

AFRO-CURLY

Hair Stylists

Wanted to hold a hair event with all logistics, marketing and promotion covered.

SPECIALITÉ

App Development for business man

Wished to create an app that assists the food industry to stay profitable during the pandemic. Requiring app engineer and app design.

05 OUR
PROJECTS

Fanthoms in the City Video

Fanthoms is a hip hop tune produced by Phantom with vocals by Tokyo-based artist **Dionysos EL** featuring **OneTwenty**. The song is about a supernatural species called Fanthoms who boast immortality.

06 OUR BIGGEST PROJECT

Challenges

- Limited Budget
- Short timeline
- Limited Resources

Solution

Being creative and resourceful in sourcing talent and creating in-kind partnerships.

“I wanted to show that music can have other purposes outside of songs for clubbing, it can also be used to share and drive a narrative, creating a dialogue between the artist and the audience”
