ABOUT RITA

Rita is a Ugandan-Canadian, marketer, and entrepreneur based in Tokyo. A self-proclaimed "global citizen", she moved to Japan almost 7 years ago to challenge herself both personally and professionally.

Rita is CMO of a PR company and model agency called STARDISK STUDIOS , where she helps brands reach their goals in marketing, advertising and sales. She is also the founder of Marché Noire an online beauty platform that connects service providers, suppliers and consumers.

She has been featured in several promotional projects for both STARDISK STUDIOS and Marché Noire. She has also played a small role in a tv drama scheduled to be released in the summer of 2023 on Amazon Prime. 🌸 As a former competitive boxer, the same level of passion and drive can be seen in her advertising, health care & wellness, fashion & fitness.

Whether growing her own business or assisting in the growth of others, her aim is to continue to use her unique blend of experiences to increase corporate profitability, both in front of the camera as well as behind the scenes.
